- Makeup sponge
- Powder Puff

Corrective—Small Stage Research

Corrective—Small Stage

I made an executive last-minute decision to change the eyeliner and lip color, therefore the end result doesn't completely match the schematic.

I forgot this look was for small stage in the sense that I used white crème instead of the Ultralite for my highlight. Therefore, I will do correctly if we are to re-do this look in person.

Corrective– Small Stage Makeup Plot:

BASE:

- Ben Nye – Cream Foundation
- P-42 ULTRA BEIGE
